STARTUP

Co-Founder

October 2021 – Present

Working on a new startup and product

Not a really secret, but we haven't spent much time on branding yet; keep an eye out for more info coming soon

NEEVA

Founding Engineer

June 2019 – October 2021

Redefining what search does for you at Neeva as a member of the founding team, doing all the startup deeds and technical acts: backend, infrastructure, and data

CZI

Software Engineer

March 2018 – June 2019

Building a better future at Chan Zuckerberg Initiative on the Education and Justice & Opportunity teams, working primarily on data/backend engineering and culture

PLAID

Software Engineer

January 2017 – March 2018

Responsibilities in building and expanding product features, recruiting and interviewing, and working with the team to help make Plaid even more wonderful

TINDER

Software Engineering Intern

September 2016 – January 2017

Improved developer happiness at Tinder as a result of creating new engineer on-boarding processes and making a fully featured and reliable development environment

FACEBOOK

Software Engineering Intern

June 2016 – September 2016

ARISTA NETWORKS

Software Engineering Intern

June 2015 – September 2015
